## INLEIDING

Hierdie bibliografie bevat inskrywings vir anonieme en pseudonieme wat oorspronklik grotendeels in 'n Suid-Afrikaanse bibliografie tot die jaar 1925 (SABIB) verskyn het. Die bibliografie is veral bedoel vir persone wat geen toegang tot SABIB het nie, maar sal in elk geval naslaanwerk vir die betrokke anonieme en pseudonieme vergemaklik.

Die indeling wat in hierdie bibliografie gevolg word, is gebaseer op Halkett & Laing se A dictionary of anonymous and pseudonymous publications in the English language (Longman, 3rd ed., 1980). Die publikasies word alfabeties onder hulle titels gelys, gevolg deur die werklike name van die skrywers en die bronne waar die inligting gekry is. In SABIB word die bron nie altyd vermeld nie. Die register van die werklike name van die skrywers verwys na hulle publikasies terwyl die register van die anonieme en skuilname die regte name van die betrokke outeurs gee en ook na hulle publikasies verwys.

Ongeveer 500 werke is ingesluit waarvan die naam van die skrywer nie gevind is nie. Die Suid-Afrikaanse Biblioteek sal enige inligting oor hierdie skrywers verwelkom.

Die volgende nommers is latere toevoegings wat nie in SABIB verskyn nie: A13, A92, B76, B77, E54, E61, G20, M92, S20, S96, S105, S142, T9, T67, W6a, W60.

Dit is dikwels moeilik om die volle name van biskoppe en aartsbiskoppe vas te stel wanneer hulle net aangegee word as Biskop van ... In die register vir anonieme en skuilname is daarom verwysings gemaak van die bisdomme van dié biskoppe wat voor 1925 in Suid-Afrika was, na hulle regte name, alhoewel daar nie noodwendig werke van hulle in die bibliografie opgeneem is nie.

## INTRODUCTION

This bibliography contains entries for anonymous and pseudonymous works most of which appeared in A South African bibliography to the year 1925 (SABIB). The bibliography is mainly for persons who have no access to SABIB but will also facilitate reference work on the relevant anonyms and pseudonyms.

The arrangement used in this bibliography is based on Halkett & Laing's A dictionary of anonymous and pseudonymous publications in the English language (Longman, 3rd ed., 1980). The publications are listed alphabetically under title, followed by the real names of the authors and the source of the information which does not always appear in SABIB. The index of the real names of authors refers to their publications while the index of the anonyms and pseudonyms gives the real names of the relevant authors and refers to their publications as well.

Approximately 500 works have been included where the real names of the authors could not be found. The South African Library would welcome any information relating to these authors.

The following numbers are later additions which do not appear in SABIB: A13, A92, B76, B77, E54, E61, G20, M92, S20, S96, S105, S142, T9, T67, W6a, W60.

It is often difficult to find the real names of bishops and archbishops when they appear only as Bishop of ... For this reason references have been included in the index for anonyms and pseudonyms for bishops who were in South Africa before 1925, from their sees to their real names even though their works may not necessarily have been included.
